Have just been looking through the boundary map for Banbury Ruscote for local elections 2025 have to say as local councillor for ruscote. I can hardly see the logic of adding both sides of Broughton Road and old Easington boundaries whilst talking parts of old ruscote park road , kings road , Hilton road adding these roads into a new County Council, boundary seat of cross and nietrop.

I would like for the record as I've also lived on Bretch hill estate since 1976 that the logical step would be to add the two balmoral avenues, and one side of Broughton Road is fine which was the agreed view of Oxfordshire County Council.

I fear that new proposed Banbury Ruscote boundary for 2025 is not representative of the people that currently live in Banbury, Ruscote and nonsense and need to be revisited
