Dear Sir. BLYTH NE24 9FE

9/11/2023

Oxfordshire CC Boundary Review.

Published Recommendations October 3rd 2023

I am writing to express my annoyance that.
As a Councillor involved and interested in the
process C.D.C officials have told councillors
that no large scale maps rather than
"On line maps" are not published by
the LGBCF - In previous instances
I know this was the case. -

Sir, it is almost impossible to cope
"with online maps" particularly where
Parish Woods Drowned Woods & new &

old County Council Divisions are involved

Apart from the maps issue reading Text
online - is Not easy particularly for
those with poor eyesight - and "low
Hi Tech skills"

I recognise that in our high speed
21st Century a failure to publish
paper maps - or enable District
Councils to print. Large 6" to a mile
version on their Planning Dept. Printers
might be deemed breaking O.S. Copyright -
but given - when FINAL new boundaries
will be integrated into OS Election
Maps surely this is a possibility -

Yours Sincerely

Chenwell District
