Organisation Name: Whiteshill and Ruscombe Parish Council (Representative of parish/town council)

Comment text:

Whiteshill and Ruscombe (W&R) Parish Councillors wish to object to the parish being moved into another division which has a different connection to it from as to where they are currently. The current division where W&R are combines with the natural landscape within this location which gives a rural setting looking to Stroud for its local needs. To move to Haresfield division becomes more commuter based towards Gloucester and a more urban environment with a flatter topography to which they feel no connection.
