We support the proposals of the Commission so far as the division boundaries within Cheltenham are concerned. We are pleased that the Commission has taken on board our proposals which we made in the first consultation.

We have proposals for the names of three of the divisions.

1. Prestbury & Swindon Village division (to maintain the convention of alphabetical order where pairs of wards comprise a division, and to include the whole of the name of the Swindon Village ward) )
2. Pittville & St Paul's division (to maintain the convention of alphabetical order where pairs of wards comprise a division)
3. Benhall, Fiddlers Green & Up Hatherley division (to incorporate the whole of the name of the new Benhall & Fiddlers Green ward)
