Comment text:

Related subject: Wantage

I oppose this proposal. Kingsgrove and Charlton are part of Wantage. The issues affecting the other neighbouring villages don't reflect what will be happening on Charlton and Kingsgrove.

The councillors don't listen to the public (Wantage bus gate and 20mph speed limits where both HEAVILY opposed yet still passed). Increasing the number of councillors when the council are facing financial difficulty is laughable too! We don't need more councillors, we need better ones!
