Personal Details:

Name: [REDACTED]
Email: [REDACTED]
Postcode: [REDACTED]
Organisation Name: (Member of the public)

Comment text:

Since the proposal only mentions the number of councillors, however, there is no information of the implication. For example, will the public services being affected to the villages of new division boundary and I believe the public will have to worry those changes. Please help to include those information into the proposal. Without those informations, I would disagree the change. Many Thanks.
