Hello, I would like to register my opposition to the consequence of the new Haresfield & Upton St Leonards division absorbing some of the electors previously included in the Bisley & Painswick division being that the latter division should now include the Stroud Trinity and Thrupp wards (which are respectively included in the existing Stroud Central and Minchinhampton divisions) as a southwestern extension. Amending one division does not mean another must be artificially disadvantaged. I feel our geographical proximity to Minchinhampton and Chalford means we are part of the Golden Valley and should remain as part of this division. Best wishes
