Related subject: Thrupp/Brimscombe

As a resident of Thrupp I'm unhappy about my Parish boundary being split from Minchinhampton and joined up with Bisley and Painswick. The landscape around where we live means residents of Brimscombe and Thrupp have far more in common with valley neighbour Chalford and nearby village Minchinhampton than either Bisley or Painswick which are miles away both in a geographical and community sense. I would like Brimscombe and Thrupp parish to remain with Chalford and Minchinhampton so we can continue work together with our council to help keep our valley and sides a wonderful place to live and work.
