Related subject: Stroud Town Council - Trinity Ward

I am a resident in the Trinity Ward in the area known as the 'Top of the Town'. I think it's a ridiculous idea to take Trinity Ward out of the town council boundary. Dividing off this urban part of the town area and adding it to the rural areas (into the proposed Bisley/Painswick boundary) would impact on the cohesion of the town services. The proposal completely fails to recognise local identities and interests. The hospitals and venues such as the Trinity Rooms and the Chapels of Rest / Stroud Cemetery Nature Reserve should remain in the Town Councils Trinity Ward.
