Dear Boundry Commissioners,

I have lived in Owlpen at Blacknest cottage for over ten years, and over that time have come to appreciate the close connection between Uley and Owlpen, the thought that they may be separated is horrific. I have listed below point for you to consider before you make a huge mistake.

1. Geographically, Uley (Dursley) and Owlpen (Dursley) are only hundreds of yards apart. Wotton-under Edge is three miles away !
- 2) The road connecting Uley and Owlpen is one lane, to separate the management of our Lane is ridiculous.
- 3) The Churches in both Owlpen and Uley are closely connected for management, the Ewelme Benefice is very important in all of our lives in this community.
- 4) All the local services we use in Owlpen are provided by Uley, shop, Pub, Doctors surgery, Churches and Village Hall. This is all local to US, not miles away in Wotton-under-Edge.
- 5) There are only 30 ish voters in Owlpen, not enough to create any "evening up" of voter numbers in Wotton-under-edge.
- 6) This community feels part of Uley! Not Wotton-under-edge.

7) Please don't make an enormous mistake ! Please,please leave us where we are, and belong!

Yours Sincerely,
