**Related subject:** Oxshott

These updated plans still cause a split in Oxshott into 2 wards. Leatherhead road running through Oxshott has a lot of traffic issues and it's hard to change with 1 councillor already and splitting will lead to no changes and Oxshott becoming a very undesirable place to live!. Your justifications to split Oxshott are not convincing and you should keep Oxshott as 1 unit and then can decide which ward to add it to.
