**Organisation Name:** Walsall Independent Group (Parish or town councillor)

## Comment text:

**Related subject:** All

I am happy with the proposal for the new boundaries suggested by the commission.

I live in the area of Chuckery and it should be included as one area in one ward. The people of Chuckery attend , generally, the same schools, faith insituations, go to the same shops and share the same spaces. It is not appropriate to then keep this area split between two wards.

I fully support the commissions proposal.
