We propose that the name of the ward be changed to 'Shieldfield & Ouseburn Ward'. Many people we work with in Shieldfield do not feel a strong connection to Ouseburn. They feel stronger ties to Shieldfield, its particular histories and local vernacular. People are concerned that Shieldfield is often overlooked and would like to see Shieldfield 'back on the map'.

Listen to 'A Song for Shieldfield' to get a sense of how people feel about this place: <https://www.100peopleshieldfield.org/song>

We agree with the ward boundaries and are happy for these to stay as they are.
