Related subject: Chuckery - Paddock & St Matthew's

I have lived in Chuckery all my life and attended Chuckery School and attended the Mosque in Chuckery. I have family all over the Chuckery.

It is not good to keep Chuckery split between two wards as this dilutes the democratic power of the people of Chuckery on their elected Councillor.

I wish the whole of Chuckery to remain in one Ward together, either Paddock or St Matthew's as long as Chuckery is together.

I agree with the commission on the new boundaries.
