I am a member of the congregation of the Willenhall Guru Nanak Gurdwara. I am writing to the boundary commission to request you reconsider the proposal to put the Gurdwara on Walsall Road in Short Heath. The Gurdwara has been part of the Willenhall community since the 1970s and is attended by the community of Willenhall. I believe these proposals would disadvantage the Willenhall Sikh community And having spoken to other members of the congregation they are concerned by this proposal. I would politely ask that the Boundary Commission review this proposal and take into account the views of the Guru Nanak Gurdwara Committee and the congregation of Guru Nanak Gurdwara Willenhall.
