I very much welcome the Council's decision to retain Kington and Dormston parishes within the Upton Snodsbury Division.

As Kington and Dormston we very much associate with the other villages of the Upton Snodsbury Division that are of a similar size residing along the A422 between us and Worcester; ie Flyford Flavell, Grafton Flyford, North Piddle, Upton Snodsbury and Broughton Hackett. With these villages we share similar interests and issues, and it is these villages that we would consider to be our local community.

I very much welcome the Council's decision to retain Kington and Dormston parishes within the Upton Snodsbury Division.
