Related subject: Title of Local Boundary

I live in Cowgate, Newcastle upon Tyne. Our area used to be in the Kenton Ward and with the boundary changes we are now in the Blakelaw Ward. However, our estate is one of the oldest cottage estates in Newcastle upon Tyne, it has also been under threat of demolition which myself and local residents managed to save from demolition. We are a mixed tenure estate, home ownership, council, private lets, private housing companies. We do care about our estate and I feel we need our own identity as due to past changes we always seem to be the 'ignored' and sometimes classed as a failing estate. I am requesting that the Blakelaw Ward should be changed to Blakelaw & Cowgate Ward so residents of Cowgate can have a sense of worthiness and it will ensure that we are not forgotten anymore. I understand our local ward councillors will be asking to also change the name to Blakelaw & Cowgate Ward.
Thanking you in anticipation.
