**Related subject:** Newbiggin Hall and Kingston Park South

1) I live in Ouseburn Park, there is no such community as Kingston Park South!

2) there is no feeling of community with Newbiggin Hall. I have far more community feeling with Kingston Park and Woolsington. People don't know who their councillors are or the boundaries. This is evidenced when both councillors are contacted when there is a problem because there is uncertainty over responsibility.

The number of councillors proposed is excessive and should be halved
