Related subject: Westlea and Mannington

I think that the Westlea and Mannington ward should be split. Westlea ward is in West Swindon so should join with another West Swindon ward.

I never agreed with establishing a parish council as it's another layer of costly bureaucracy and a sneaky way of getting around the limits that central government set for increases in council tax limits.

We do have some excellent parish councillors in particular Suresh.

Some of our local councillors we never see and are a complete waste of time.
