Related subject: Existing Wards

With the current wards, I find myself and my property in the Gorse Hill and Pinehurst ward, which as you can see having a postal address of Upper Stratton/Stratton St Margaret and being in the Stratton St Margaret parish is completely wrong. We have a completely different demographic of people and need within the ward than that of Gorse Hill and Pinehurst and feel that a change is needed so that we can be served by our local councillors in line with our need.
