I would like to comment on the decision to change the ward boundary for Barmoor & nearby streets and raise my objections & concerns. I am concerned that very many of the residents within this area were not aware of the proposed changes and left with very little time to consider this and the potential implications. I personally believe that Barmoor & surrounding streets are very clearly more closely linked to Ryton and demonstrated by use of local shops, park, cafes and amenities in Ryton including the community pub. A strong sense of community exists, with established connections and links to Ryton.
