

# Gateshead

## Personal Details:

Name: [REDACTED]  
Email: [REDACTED]  
Postcode: [REDACTED]  
Organisation Name: (Member of the public)

## Comment text:

**Related subject:** Number of councillors

I understand that this section of the review is dealing primarily with the number of councillors but instead of spending so much time fiddling on moving one or two streets from here to there, you should be concentrating on the ridiculously high number of councillors per head of population. One councillor per ward would more than suffice, reducing costs and allowing more money to be spent on vital services.
