Since when was half of Wrekenton part of Birtley and why do we need 66 Councillors, it's bad enough trying to find out who your local councillors are without changing boundaries and adding more useless councillors.

I don't agree with any of the proposals because it does divide streets and puts half of Wrekenton in Birtley and half in highfell, Why do we need 66 Councillors ? I think you will find that the majority of the public can not understand the logic behind that,
