It has just been brought to my attention the intention of Gateshead Council to move my address from the Ryton Ward into Crawcrook. I strongly object to this and I would like to know why we were not informed of this in writing by the council and instead finding out when the consultation period has almost lapsed. I understand there are too many houses in the ward now but that is hardly fair to long standing Ryton residents, many of whom have been here all their lives., I am also concerned that the value of our properties will decrease in value if moved to Crawcrook ward.
