I disagree with your decision and support the council's reasoning to move the boundary allowing Park Terrace & Glebe Terrace area to move into the Dunston ward. I live on Park Terrace. Whickham councillors ignore our area in favour of Whickham residents. Our area is in limbo between ineffective Liberal Democrats and pro active Labour councillors in the Dunston Teams area. Due to the Whickham north residents overwhelming our small part of the ward we have no voice or support from councillors who are totally disinterested in Dunston. Our village should be one ward represented by three councillors.
