I have lived here for 12 and a half years and am happy to be part of Victoria Ward and don't want to change. Victoria Park is just around the corner, my family use it regularly and I don't think we would have any say in its upkeep/issues if we are in another ward. I also travel into Crosby regularly and not into Waterloo and feel that I have more in common with that area. I feel that any change is unnecessary and am happy with current local councillors and don't want to have to contact different people.
