**Email:** [REDACTED]  
**Postcode:** [REDACTED]  
**Organisation Name:** (Member of the public)

## Comment text:

**Related subject:** Being moved from Belbroughton to Woodvale area

I object to this change and all of the implications that it will entail as I don't want to have my area changed.

I am also not impressed that this change has been kept secret from me and my neighbours until very close to the final deadline to object. I wonder why the full implications have not been explained and highlighted to us.
