Related subject: Clent Hills

I strongly object to these proposals. The cost of change will be high, and the resulting change will only affect councillors numbers by some 250ish households. It simply does not make any sense in the current financial climate to make any change to the current arrangement. Our only local shops and doctors surgery are in Belbroughton village, and there is a strong sense of community within the area. I can not offer you a better solution than the one currently in place...
