I am [REDACTED]

I would like to register my objection to the proposed electoral boundary changes in my area.

Having been a resident of the parish of Belbroughton for the last 20 years we have built our life around the village, we are active members of a number of Parish council groups, we run with a local trail group through Clent and the beautiful Belbroughton countryside, I play tennis at the Tennis club, we eat and drink in the local pubs and restaurants
My wife shops at the Village shop and only ever uses the post office in the village.
Ours Doctors are based in Belbroughton our children have benefitted from the local schools and now our grandchildren love to spend time exploring all of the scenic walks and look forward to the village events such as the Cricket in the Summer and the very enjoyable scarecrow festival that we regularly volunteer for.
We very much have a sense of belonging to the Village of Belbroughton, we are lucky enough to have everything on our doorstep and would be incredibly disappointed if this had to change especially when it appears to be change for change sake rather than adding any value to the residents.

Thank you for your time.
