I strongly object to the proposed changes to the boundary relating to Belbroughton. Belbroughton is the village I identify with - my doctors are there, my local shop and post office is there, it's where I socialise with my community at the cafes and pubs. My local recreation premises are there, such as the tennis club. The move to Catshill will also increase my carbon footprint, as I am local to - and in walking distance of - the services offered by Belbroughton. As a member of the Belbroughton community I, again, disagree with the proposed changes.
