Comment text:

Dear sirs,

I would like to state our objections to the proposed boundary change for Bell Heath, Belbroughton.

1. We were totally unaware of this proposed change although it states on the Worcestershire Council hub that residents have been consulted. I believe that no resident of Bell Heath has received any such correspondence. We were actually only made aware by a member of our community WhatsApp group that we have named 'Bell Heath look outs'!
2. We have lived here for 19 years and in that time have been registered at Belbroughton Glebeland surgery.
3. We constantly use Belbroughton Post office and shop. Possibly on a daily basis.
4. We have used Belbroughton community Hall and Church Hall for family birthdays and gatherings.
5. We have used the Church hall for exercise classes.
6. We have used Belbroughton Tennis club over the years.

7. We support and attend many public gatherings in Belbroughton as our local community.

8. Our Bell Heath Community is far more linked to Belbroughton and bizarrely, having the proposed change brought to our attention We had to google where Woodvale was!

9. I have read that one of the reasons to move the Bell Heaths boundary is that the A491 should be a 'natural boundary' for Belbroughton but Woodvale is also the other side of the A491 to Bell Heath.

10. I would suggest that our rural location and numbers of residence are more in keeping with Belbroughton and very unlike that of Woodvale.

We would welcome your feedback.

Kind Regards
