**Related subject:** Belbroughton

I hear you're looking to adjust the boundaries. I am strongly against this our address has Belbroughton in it. This area has been associated with Bell Broughton for as long as I can remember and I am in my 50s. Ours schools ,shop ,pubs,doctors and Community are all Belbroughton and have been for centuries in 2018. You guys at the council agreed. This nothing has changed.
