**Related subject:** Boundary review of my area

We have been residents of the area for 14 years and chose it for its rural location.  
I consider myself part of the community of Belbroughton for the following reasons:  
I visit the village centre at least twice a week  
My gp surgery is there  
I use the local shops and restaurants frequently  
I play tennis at the Belbroughton Tennis Club  
I have many friends in the village  
I have often walked to the centre of the village at weekends with the dog to get a paper  
We are part of a close knit local community and do not want to be extricated to an area I am not familiar with and have no connection.  
I only found out about this proposal via a neighbour late this week. Is this someone's idea of 'consultation'?  
Please do not amend the boundary. I just came back from a meeting of over 50 very concerned local residents..  
Please NO
