Organisation Name: Beechcroft Nurseries & Garden Centre (Member of the public)

## Comment text:

**Related subject:** Clent Hills / Woodvale

The suggestion that Madeley Heath, Bell Heath and Newtown be moved from Clent Hills to Woodvale is completely and utterly preposterous. These areas are clearly economically, culturally, historically and irrevocably part of Belbroughton village!! It is where our Doctors and Pubs and shop are! To suggest we are not is completely and utterly unacceptable and will not be tolerated by the population.
