**Related subject:** North Ormesby

North Ormesby drastically needs some attention and looking at the plan it does not look like it is going to get any, it seems to have been forgotten about and left to wrack and ruin and the private landlords are turning it into a ghetto with hmo houses and the clientele that are being housed in them and the MBC are letting this happen there are no plans to try and make it into a desirable place to live and people who own their own houses are trapped amongst all the hmo houses, rubbish and the rats., something seriously needs to be done before North Ormesby is totally lost, we also need a decent high street with shops that actually sell ingredients that make a meal and not just the takeaways that North Ormesby has. Residents who respect the place and are long standing have just as much right to live in a place were they feel safe and clean and is a nice area to walk about just as much as the outer areas of Middlesbrough.
