## Personal Details:

Name: [REDACTED]  
Email: [REDACTED]  
Postcode: [REDACTED]  
Organisation Name: (Member of the public)

## Comment text:

Feel completely abandoned and ignored by the current council. Houses were built on a tiny area of derelict land despite residents strenuous objections objections to the size of the home - 2/3 of the properties have been empty for a year now. Council also refuse to assist residents with out of control fly-tipping of food and human waste because it is in a location that no one owns.

## Attached Documents:
