Related subject: Liversedge and gomersal

Hightown Junior School currently in the Cleckheaton ward, boundary should move to Quarry Lane and follow the footpath down Quaker Lane. This would move parts of Hightown (a village of the Liversedge township) into the Liversedge ward. Alternatively, the boundary could go down Hightown Road to where it intersects Quaker Lane and to also include the Liversedge football club. This would be more representative of Liversedge and Hightown.

In addition the changes to the boundary in the north near Gomersal are a bit abrupt. Perhaps consider joining along Scotland Street and going along Dewsbury Road then up Moor Lane and including the whole of Moor Lane Farm.
