We live on Briarlyn Road in Birchencliffe. I believe we should remain part of the Lindley ward otherwise our local shops, my sons pre school and our doctors would be in a different ward!!

We are not socially connected with anyone from Bradley or as far away as Leeds Road, we do not shop in their community and our children do not go to school with their children.

I don't want a councillor whose priorities might not be local to me or my neighbours. The issues in Bradley or Leeds Road may be very far removed from those residents of Birchencliffe!
