Lindley and Birchenclyffe need to be kept together in one ward. Both areas operate as one locality, particularly in Birchenclyffe on the 'Lindley' side of Halifax road where the catchment for all schools / nearest local doctors is Lindley. It makes no sense to split the Huddersfield North boundary past Halifax Road into parts of Lindley/Birchenclyffe. My postcode comes up as Lindley but you are proposing to take me out of Lindley ward? All residents in Lindley/Birchenclyffe use the same facilities and do not have interests closer than that to Lindley as opposed to North Huddersfield.
