Organisation Name: Huddersfield North (Member of the public)

## Comment text:

**Related subject:** Birchencliffe

Removing half of a large community from it's previous ward is not practical. Children in Burn Road, Birchington Yew Tree and other road go to school in Lindley which will be in another ward . All their doctors also . They will mainly use facilities like the Lindley library, Lindley shopping, Lindley cafes, pubs and restaurants. All Lindley services are what they are connected to, they have no connection to services in Bradley or Leeds Road.

A councillor for this ward would have to be split in understanding problems in other areas.

These changes are unnecessary
