Organisation Name: (Member of the public)

## Comment text:

**Related subject:** All of it

Split Kirklees into two. All the ward areas North from Mirfield and Dewsbury to be one Local Government area, possible based on Dewsbury. The remaining wards to the South to be another area based on Huddersfield. Then get rid of the name Kirklees altogether., as it should never have been named this in the first place. The |Kirklees Estate it is named after is actually in Calderdale!!
