**Related subject:** Lindley / Huddersfield North

I disagree with your proposal to re draw the Lindley border cutting off the lower part of Halifax Road and the streets that are nearer Ainley Top. We live in Briarlyn Road which would become Huddersfield North and nor Lindley Ward. We have long been associated with Lindley Ward and the catchment area for the local schools. This could make our properties difficult to sell on I the future as being close to the schools helps promote the sale of property and don't understand why the boundary has been framed that way.
