**Related subject:** Sherbourne Ward

I agree with the proposals in principles but disagree with moving the following streets to the Whoberley Ward: Rushmore Drive, Kilburn Drive, Maplebeck Close, Fordwell Close, Sunnyside Close and parts of Allesley Old Road. I believe that these above listed areas belong in the Sherbourne Ward as they have deep-rooted community connections to Countdown, Spon End and our Ward and moving them would have a destabilising effect on residents and our community.
