Related subject: Styvechale Grange

We are not part of Earlsdon, in fact we are separated by the Memorial Park. The A45 is not a barrier, my son went to school at Ullathorne and Finham.. I often visit Finham Library and the shops at the top of Wainbody Avenue. It is highly unlikely that any councillor representing Earlsdon will be interested in supporting people within The Styvechale Grange area and hence we should remain part of the Wainbody Ward.
