**Email:** [REDACTED]  
**Postcode:** [REDACTED]  
**Organisation Name:** (Member of the public)

## Comment text:

**Related subject:** Westwood Heath

I strongly disagree with the proposal to change the boundary for Westwood Heath and move into the Whoberley Ward. The shared spaces between Westwood Heath, Canley and Tile are significant and we all share the same issues as a Community. We all take part in several community events which will become fractured and will not be in the best interests of our community. Please therefore DO NOT isolate us from our community by making these changes.
