I appreciate that proposed changes follow much consideration but, with great respect, I believe that they are simply wrong. Westwood Heath should remain in Westwood Ward and a separate Ward of Canley and Tile Hill should not be created.

I was a Westwood Ward Councillor for 16 years, and regularly visited all parts of the Ward, including Canley, Banners Brook Estate and the "Trees and Cotes" area. They worked together very well. The distances were very short, I could reach Canley Library for example in maximum 10 minutes.

Most importantly, the Ward brought areas of somewhat different backgrounds together- crucial to the concepts of "One Nation" and "Levelling up" in which I strongly believe.

I am happy to discuss this. Best wishes.
