I am extremely concerned that there is a proposal to take away a huge chunk of our ward, namely The Rivermead Estate - Rushmoor Drive, Kilburn Drive, Forwell Close and Maplebeck Close, together with Sunnyside Close and a portion of Allesley Old Road, which have all been part of Sherbourne Ward for over 40 years and I can see no logical reason to remove this portion of the ward from its current ward to another. In fact the Rivermead Estate has always been a part of Sherbourne Ward.
