**Related subject:** Westwood Heath ward changes

Dear Sirs,

Westwood Heath has an active community which has faced several challenges and which have also faced Canley and Tile Hill as areas too. Wainbody Ward has a very different residential 'catchment' and would make one ward which is very spread out and with quite different requirements.

I would therefore ask that you review this and put the boudary along Kirby Corner Road, as at present as I disagree with the suggestions being in the best interest of our ward.
