## Comment text:

**Related subject:** Boundaries for all 18 wards in Coventry

Please find attached a petition signed by members of Coventry Labour Group supporting the submission made by Coventry City Council and Coventry Labour Group.

## Attached Documents:

- Coventry Labour Group Petition.pdf

We the undersigned, being Labour councillors on Coventry City Council, fully support the proposals put forward by Coventry City Council and Coventry Labour Party. It is our belief that the broad pattern of the wards as proposed are correct and that the proposed amendments within the current consultation response will better represent community identity in Coventry. We welcome that the LGBC have agreed Coventry should be represented by 54 councillors, the same number as there are now and that Coventry should have 18 wards.
