I am sending this email to support the Local Gov Boundary Commission in keeping Hastings Hill, Grindon, Springwell & Thorney Close as one electoral ward. As a resident of Hastings Hill I can walk to the corner of Sevenoaks Drive and I'm in Grindon. All the estates are within touching distance of each other and we have got to know other people from Grindon & Springwell just by using the same bus! which lends itself to community bonding. Pennywell & South Hylton are divided from Hastings Hill, Springwell & Thorney by a very busy A183. Many people go for walks through Grindon & Springwell & again meet people on route. Pennywell & Sth Hylton are too far for most & don't offer an easy bus service. It seems insensitive to change things and make the boundaries wider.
